OBJECTIVE

To work in a dynamic environment, this tests my repertoire and increases the scope for improvement and helps me to reach the high grade in the working environment, with steep learning curve.

SUMMARY

- Qualified Bachelor in Civil Engineer from Rizvi College of Engineering (RCOE) Mumbai
- Qualified Diploma in Civil Engineer from Government Polytechnic Thane (GPT) Mumbra
- I possess 3 Year 6 Months of professional experience in the areas of Structural Designing.
- Worked in Orion Consultant Engineer, Thane, Mumbai as a Structural Engineer.

EXPERIENCE

• ORION CONSULTING ENGINEERIN AND PROJECT MANAGEMENT JANUARY 2020

Jr structure engineer

- Modeling, Analysis & Design of Multistoried (Residential, Commercial, Public)

Structure using E-tabs, Staad Pro, RCDC, Indian standards & Excel.

- Preparing Analysis and Design Basis Reports (DBRs).
- Planning & Preparation of structural layout.
- Taking out quantities of item for procurement and BOQs.
- Checking the structural items quantity submitted by vendors.
- Checking the RCC as per design and drawing on executed sites.
- Coordination with Client, Arch and site team.
- Draw proper structural layout and prepare suitable model for the same. Check the adequacy of the sizing and confirm the same with architects.
- Give the tentative drawings to QS department for preliminary estimate and tender preparation
- Interact with architect and service consultants to finalize all the element sizes.
- After finalization of drawings prepare the final model and give it to team leader for final design. Check the manual calculations from senior members to ensure the correctness of model.
- Review the set targets on weekly basis with senior members and make sure that targets are achieved.
- Check all drawings received from team leader for correctness in terms of quality as well as quantity.
- Check the evaluation of quality norms received from site and take necessary action whenever required.
- Making sure that client is serviced for resolving issues, site visits etc on time.
- To handle all the complaints of a client to ensure that these do not result in loss of fees.
