### Profile

---

As an AutoCAD Draftsman, my objective is to contribute to the company's success by producing the most accurate and feasible illustrations for the projects assigned to me. My experience as an AutoCAD Draftsman in residential/architectural environments and the steel industry broadened my knowledge and enhanced my skills in creating and modifying 2D and 3D drawings using the latest technologies. I am eager to learn and further my proficiencies by constantly improving my work and accepting all kinds of assignments handed out to me. With this said, I am confident that I can measure up to the expectations of the company.
